The dance at Harmons last Thursday evening was a most enjoyable affair.

Mr. and Mrs. E. Pearce spent Sunday with Mr. and Mrs. E. Crites.

Violet Brewer went with Glenard and Fay Pearce to visit Margurite school Thursday.

Mrs. Walter Jungbluth who is now teaching school at Dedman came in Saturday noon to visit over Labor day with her husband.

Glenard Pearce entertained a number of his friends Sunday September 3, it being his 15th birthday.

### BARNEY

Quite a number of Barneyites attended the dance given at Reyes last Saturday night upon the conclusion of the new School House building. All report a good time.

Orren Beaty, county agriculturist, and J. A. McCune, met the people of the community last Saturday evening at our school house. A large crowd was present and the address by Mr. Beaty was greatly appreciated.

Orren Beaty and J. A. McCune both of Clayton, were guests at the Magruder home Sunday.

### Echoes are Ringing

The Citizen of August 17th was in full swing with a lot of made to order jimmy dope and qu'us dope. It really looks like the old gray mule has kicked off the harness of democracy and joined the jimmy bunch. This kind of dope is real rot. It reminds me of a mushroom growth after a five weeks rain, such as we have had lately. This gray mule sermon is appealing strongly to no one, especially not to taxpayers, and practically all are taxpayers. The great majority of taxpayers are good people living at home attending to their own business, just what a news paper ought to do. This old molly-coddle of a gray mule knows that the county, and the administration of affairs is clean and economical, especially when compared with the record of past years when the G. O. P. gang were in control. Gray mule is a typical sorehead, just because the democrats and people of Union county did not see fit to dance to his music, hay or no hay. We democrats that are democrats like a republican that is really a republican, but these Larrazola, quitus, jimmy, gray mule republicans have no place in our affections. Some one in the convention asked, "Where is their place?" In the chaff or waste basket. Such gray mule "dog" as appears in the Citizen could only appear in a little puny paper without an editor, as the Citizen has come to the place where no one will claim to be its editor. It appears that the paper is like the jimmy republicans—has about jimmied itself out of business, as well as out of politics. Of the 17th will not forget that G. C. Smith and Serapio Miera were jimmied out of the legislature. O. T. Toombs and his running mate probably will come before the voters with their jimmies again; and so, Mr. Citizen without an editor, you may howl and try to fool the voters, but it will be a long time before

you can jimmy taxes up to the level where they were when the jimmy crowd were in control in this county. Now, Mr. Socialist, anarchist, quitus, jimmy politician, give us a little dope with a little truth in it, and you will wake up a better man and have more followers for your jimmy sect. Your Mr. Hughes is something of a faultfinder, and it is hard to tell whether he is for preparedness, and it is hard to tell whether he is for preparedness or the pie counter, as the majority of the disgruntled bunch is. I am sorry I have to read a country newspaper that has no editor, and does not confine its statements within the bounds of truth and reason. Say, Mr. Mule, just look back over your left shoulder and remember when those longwinded editorials were so bitter and strong against the jimmy gang in Union county.

### Home Economics Club

The Home Economics Club held a pleasant and profitable meeting with Mrs. Jennings, Saturday afternoon.

Dr. Bristol, was present and discussed the "What and Why of Diptheria" in an interesting manner.

The Club appreciated Dr. Bristol's kindness very much and would be glad if the other physicians of the city would co-operate with the club for a cleaner and healthier Clayton.

At the conclusion of the program fruit salad, iced tea and cake were served by the Committee.

The next meeting is September 16 at the home of Mrs. Heringa. Mrs. Law and Mrs. Skelton were appointed social committee.

### Some Rain Story

Now comes a rancher from the Hale neighborhood who deposes and says: "I was driving along in a wagon, my dog lying in the wagon box behind me. It looked like rain ahead but only a few drops fell where I was. Chancing to look around, I'll be hanged if the dog hadn't drowned. It had been raining in the back end of my wagon all the time. He was a mighty fine dog."—El Sumner (N.M.) Review.
